

## Fair At Wilmet Starts Today

The farm population may be shrinking, but the Kenosha County Fair, which opens today (Aug. 9) promises to be more satisfying than ever.

The Kenosha fair brings together the best in both rural and urban production in the county. An estimated 30,000 to 40,000 people will view livestock and agriculture exhibits, commercial and industrial displays, while glamor and fun will have their full role.

Highlights of the 1962 fair include two parades, a kid's spectacle on Friday at 10:30 a.m., and the big parade with rural, civic, social and business participation on Saturday, Aug. 11, at 10:30 a.m.

Over 20 girls had entered the annual Fair Queen contest at the beginning of the week, and one of them will be crowned the 1962 Fair Queen Friday, August 10, at 9:30 p.m.

Four top free acts will entertain fair goers twice daily on the midway. Ted Miller and Smiley, comedians; the Lenore Sutton Dancers; The Coronas, a lofty wire act, and an amusing canine show, the Poodle Express, have been booked by the Fair management.

No admission will be charged for a grandstand show on Friday night, Aug. 10, when top drum and bugle

corps from the midwest, and the Brookline, Mass., Buccaneers will present a two-hour review. There'll be a band concert on the grounds Sunday, Aug. 12, and the Great Lakes Navy Band will march in Saturday's parade.

Stock car racing, a Saturday night regular feature at the Wilmet race track, will be the grandstand attraction on the Saturday of the Fair weekend.

Sunday's program includes a tractor pulling contest before the grandstand at 1 p.m.; a junior horse show west of machinery row at 3 p.m., and a gigantic fireworks spectacle before the grandstand at 9:30 p.m.

Steele Brothers amusements on the midway will provide a clean fun center with rides and shows, and the Kenosha county sportsmen's federation will again be in charge of the popular pond where big stocks of rainbow trout insure fishermen of real luck with rod and line.

The largest junior fair youth exhibit in the history of the fair will display the best work and accomplishments of Kenosha county youth. 4-H girls will stage a dress revue on the free acts platform every day, and 4-H tractor operators will have a contest on Saturday, Aug. 11, at 1:30 p.m.

## Antioch Pool Play Day

A Play Day to be held August 18 at the Antioch Aqua Center has been announced. Activities will start at 2 p.m. on that date.

Any who wish to compete in the various divisions should register at the pool at 10:30 a.m. on August 11. Only 16 entrants in each division will be accepted, and it will be on a first come, first served basis.

There will be swimming races for both boys and girls in the Senior (16-18 years) division, Junior (13-15) and Midget (10-12).

There will be a water ballet demonstration of the pool program by the children.

## McClory Aids In Rescue

Robert McClory of Lake Bluff, Republican Candidate for Congress, aided in the rescue of four campers whose canoe had capsized in the churning waters of Georgian Bay near Go Home Bay, Ontario, Canada. McClory, who is vacationing preliminary to the waging of his campaign for Congress in the new 12th Congressional District, was skin-diving at the time with his brother-in-law, Jack Bonneyworth of Toronto and Ira Rote, a Canadian Ranger stationed at Beau Soleil National Park near where the rescues occurred.

McClory and his friends were summoned from an island cove where they were diving in sheltered waters when one of the camp counselors shouted for help. McClory raced his 17 foot power boat out into the rough waters where two lads were clinging to their overturned canoe. Two other campers were holding onto another canoe which was partly filled with water.

After taking the shivering and water-drenched boys aboard, McClory's group towed the canoe ashore where the campers beached their canoes to await a calmer sea.

Later, McClory and the Ranger, Ira Rote, wearing scuba diving equipment, retrieved an outboard motor which had been lost in 40 feet of water, to complete their adventurous day.

## Secretary of State Issues Permit

Secretary of State Charles F. Carpenter has announced that Lawrence P. Nottoli, R. 2, Box A25, Antioch, has been issued a Probationary Driver's permit.

## "Operation Alert"

The Lake County Safety Commission is sponsoring a traffic safety meeting to impress all women in Lake County that traffic safety is a woman's business, too. Invitations have been prepared for over 300 women of Lake County to attend a Coffee and Safety Seminar on Wednesday, August 22. The Seminar will be held from 9:30 a.m. to noon at the Highland Park Woman's Club House. A program will be presented spotlighting the traffic safety problem in Lake County.

The Highway Committee of the Lake County Board of Supervisors has adopted the proposal of County Superintendent of Highways Melvin E. Amstutz to install seat belts in all highway vehicles and equipment.

## Lake Villa Driver Hits Tree

Valdemar Peterson of Rte. 2, Lake Villa, evidently lost control of his car when making a left turn near Deep Lake last week.

He was driving west on 4th Avenue and turned left. His car struck a tree and continued for about fifty paces, coming to rest against a tree.

Peterson told sheriff's deputies that he blacked out. He was taken to Dr. Laurich of Lindenhurst by the Lake Villa Rescue Squad and then to St. Therese Hospital.

A passenger in the car, Edward Beseda, was apparently uninjured.

Mrs. Alma Loubert returned last week to her home in Fort Lauderdale, Fla., after visiting relatives and friends here.

MIKE BROOKS AND ELLEN HOMAN wait on a customer at the sidewalk table of the Antioch News on Maxwell Street Days.

## New Pastor At Methodist Church

The Antioch Methodist Church will welcome their incoming pastor, the Rev. Donald M. Cobb, at both worship services on August 12.

The Rev. Donald M. Cobb was born in New York State and educated at Syracuse University and Colgate. He is a member of the Antioch Methodist Church. His father, grandfather and great-grandfather were Methodist ministers, and his son, Stephen, is now preparing for the Methodist ministry.

He has two daughters, Mrs. Arden G. Reisenbiger and Mrs. Bruce W. Jones.

Rev. Cobb has served several churches in New York and Illinois and was a chaplain during World War II. Following the war, he remained in the Army Reserves and was called to duty during the Berlin crisis with the 411th Ordnance of Davenport, Iowa, from which he was released on August 4.

His first Sunday in the pulpit will be informal. He will attempt to anticipate and answer many questions which the congregation will have.

All members and friends of the Antioch Methodist Church are urged to attend one of the services on Sunday to welcome Rev. Cobb and his wife.

## Rescue Squad Dance A Big Success

No one knows how many people attended the Rescue Squad Dance on Saturday night at the Froese-Sno Factory. But the place was jammed, and everyone, according to reports, had a good time.

Net profit from the dance is not yet known, but it appears that the Rescue Squad Fund got a sizeable boost from the affair.

## Antioch V.F.W. Sponsors Dance Sat.

The first annual dance sponsored by Sequoit Post 4551 V. F. W. will be held Saturday, August 11, at the Moose Home in Antioch.

Tentative plans have been made to have Charles Wyatt at the organ. The dance will start at 9 p.m.

## Wes Camp Resigns At Special Meeting

The Antioch Grade School Board in a special meeting Tuesday night, accepted the resignation of Wesley Camp. Camp was elected to the board in the April election of 1961 and has served as secretary to the board for the past five months.

Elroy Anderson was appointed to the vacated post of secretary for the balance of Camp's term.

Camp is employed by the Standard Oil Company as a special representative and a job transfer was given as the reason for his resignation.

Camp, a resident of Antioch for the past four years, will be leaving soon with his wife, Louise, and three children, Pamela, 7, Douglas, 10, and David, 12, for his new post in Spokane, Wash.

A member of the Antioch Lions Club, Camp was active in many civic affairs.

In other board action, Mrs. Paul Dierking was hired as a first grade teacher in the Oakland building. Mrs. Dierking has five years teaching experience and her husband is presently teaching at the Antioch Grade School.

The board action left only one vacant post in the coming year's teaching staff, that

## It's Great! Maxwell St.

Crowds swarmed through the Antioch streets and gathered around the sidewalk tables of merchants last week during the three days of Maxwell Street sales.

Shoppers laden with packages hurried to the next table to see what was being offered at this store, while merchants dashed in and out of their stores replacing the stocks of merchandise.

It was a bigger and better version of Maxwell Street this year. Many real bargains were offered by merchants, and shoppers snapped them up.

Smiling faces were everywhere, and there was no evidence of the short-tempered pushing and shoving that sometimes seizes customers and merchants on bargain days.

Here are the reactions of various people asked their opinion of Maxwell Street Days:

"Doc" Jensen—"It's a fine thing. Liven's the town up, gets merchants acquainted with the people. A fine time to meet a friend and buy him a cup of coffee."

Smiling Dorothy Orsolini of Lake Catherine, rushing from a store with her arms full of packages, "It's wonderful!"

Jean Youngquist of Waverly, Iowa, "We-e-ll, it's nice."

Bob Wilton, of Wilton's Electric, "My feet hurt."

Mike Brooks, of the Antioch News, "It would be better if more people bought instead of looking."

of kindergarten instructor.

The board will attempt to fill the vacancy created by Camp's resignation by appointment, Superintendent Richard Whitacre said.

According to Whitacre, if the appointment is not made by the board within 30 days, a special election will be necessary.

An informal meeting of some of the board members was held last night in an effort to find someone to fill the unexpired term.

Les Sorensen, president of the board, said they hoped to fill the vacancy at the next regular meeting August 21.

"In appointing a new board member, we hope to find someone to represent the Oakland area," Sorensen said. The unexpired term ends in April of 1963.

## C. L. School Hires Secretary

The Board of Education of Channel Lake School hired a new custodian and a secretary for the school at its meeting Tuesday night, but failed to hire a teacher to replace Dorothy Karczewski, who has left the staff.

John Bierman of Channel Lake was hired as custodian, and Lucile Eberman as school secretary.

Howard Scott, principal of the school, says he has some applications for the position of teacher and is sure a teacher will be hired before the school opens on September 4.

Construction of a new office for the school has been started. The new office will be in the space formerly occupied by the stage in the old school lunchroom.

The five teachers now on the staff at the school for the coming year are Howard Scott, principal, Donald Behling, Myrna Jungman, Jean Sobey and Grace Amendol.

## Car Check, Seat Belts

The Waukegan Junior Chamber of Commerce has announced through the safety chairman, Roger Johnson, that a vehicle safety check will be conducted on Sunday, August 26, at the Goodyear Tire Store, 211 S. Genesee Street, from 10 a.m. until 4 p.m.

In conjunction with the vehicle safety check a package deal is also offered to motorists who are interested in seat belts. These belts will sell at a price of approximately \$5 each plus nominal installation fee.

Johnson announced that a safety film will be shown to those motorists who might be detained while the seat belts are being installed in their vehicle.

A special prize will be given to every fiftieth car owner who passes through the safety check lane. All Lake County motorists are eligible to participate in the seat belt promotion.

## Contributors To Rescue Squad Fund

An impressive number of people are responding to the Rescue Squad appeal for funds. More is needed to finance the purchase of the modern new truck which is the aim of the Rescue Squad Fund Committee. A partial list of the initial contributors compiled by the Rescue Squad Committee of the Lions Club of Antioch, follows:

Helen M. Luedtke, Mr. and Mrs. A. Andriolo, Charles W. Wilton, Betty Mortensen, Frank A. Henry, M. R. Skarce, Gilday Service Co., Homer LaPlant, W. Briggs, Paul & Charles Ferris, Louis (continued on page 5)

# Antioch High Has Ten New Teachers

There will be ten new staff members when Antioch Township High School opens on September 5. Seven members are replacements for those who have left the system and three teachers are added because of increased enrollment.

Five of the new teachers are pictured below, with some information on each one. The other five teachers will be in next week's issue of the Antioch News.

**NADA LIGHTHART**  
Speech and English  
Nada Lighthart will teach speech and English. She is unmarried, and does not have an Antioch address. She received a bachelor's degree from Greenville College, Greenville, Ill. She is presently completing her master's degree from Northern Illinois University.

## Police Find Guilty Taverns In Drowning

Chief Dan Auringer of the Fox Lake Police said Wednesday that he has the names of two establishments which sold alcoholic beverage to Torrance Ray, 19, who drowned in Mineola Bay on June 17.

Chief Auringer would not disclose the names of the establishments until he turned them over to the Liquor Commissioner, Mayor Marius Olson of Fox Lake, which he will do today or tomorrow.

Ray drowned on June 18, while swimming with Ralph Ciangi, 19, from a boat operated by Allan Smith, 20. All the boys were from Elmwood Park.

It was disclosed at the inquest that Smith had driven the boat away from the pair as a joke. When he came back, Ray had disappeared. It was after dark, and the lake was rough.

Ray's body was recovered on June 21 at about 9 p.m. At the inquest on August 3, it was disclosed that a blood examination showed a high alcoholic content in Ray's body. Evidence at the inquest showed that all three boys had been drinking beer, but Ray's two companions were evasive when questioned as to where the beer was purchased. Although they had had dinner at a place where they bought beer, they claimed they could not remember the name of the place and were not sure they could find it again.

The jury returned a verdict of accidental death by drowning, and strongly recommended that the Fox Lake Police Department make every possible effort to determine where Terrance and his companions purchased the alcoholic beverages and that it should be brought to the attention of the proper authorities and any legal action necessary should be taken.

## Emmons School Sels Opening Date

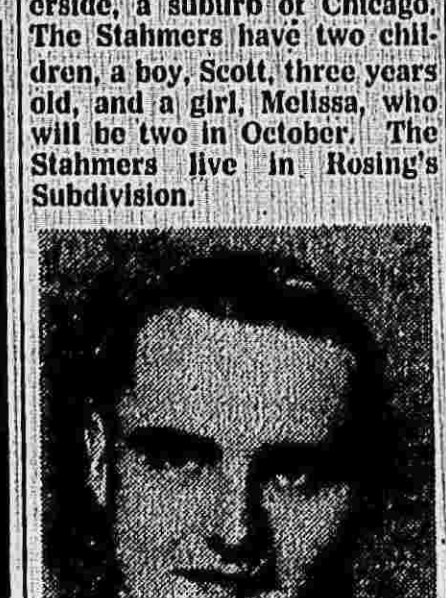

Emmons Grade School, District 33, will open its doors on Tuesday morning, September 4, 1962, at 9:30 a.m. School will be dismissed at 12 noon with the bus running its normal pickup and delivery schedule and routes.

All parents of incoming first grade students are urged to register their youngsters at the school office prior to opening day. The child's birth certificate must be brought in order to prove that the incoming student is or will be six years of age by December 1, 1962, according to Illinois statutes.

## Congressman To Visit County Fair

Congressman Henry C. Schadeberg of Wisconsin will make two appearances at the Kenosha County Fair at Wilmet this weekend. The congressman will be at the fair on August 11 and 12.

Bruce Stahmer, who graduated from Antioch High School in 1953, will teach General Science and coach sophomore basketball and varsity baseball. He graduated from Northern Illinois University in 1957 and has been teaching science in Wauconda High School for the past five years. Mr. Stahmer is married. His wife was a resident of North Riverside, a suburb of Chicago. The Stahmers have two children, a boy, Scott, three years old, and a girl, Melissa, who will be two in October. The Stahmers live in Rosing's Subdivision.

**BRUCE STAHMER**  
General Science, sophomore basketball coach and varsity baseball coach.

**RICHARD ELLISTON**  
Chemistry

Richard Elliston will teach chemistry. He is unmarried, and has not yet found a place to live in Antioch. He received a Chemical Engineering degree from the University of Oklahoma in 1944. Mr. Elliston received his master's degree in education at Loyola University in 1952. He taught chemistry for five years at the University of Illinois (Navy Pier) and two years at the Nathan Hale Senior High School in Tulsa, Oklahoma. At the present time, he is taking a graduate study in chemistry on a 3 year scholarship at Central Michigan University at Midland, Mich.

**GARY ALLEN**  
Social Studies and assistant football coach.

Gary Allen will teach in the social studies department and assist in football. He is married and has one child. He received his bachelor's degree from Monmouth College and a master's degree from Northern Illinois University. Mr. Allen has had five years teaching experience and coaching at Paw Paw, Ill.

**SALLY CAMPBELL**  
Girls' physical education and health department.

Sally Campbell will serve in the girls' physical education and health departments. She received the bachelor's degree in June from Western Illinois University. While in college, she participated in physical education Majors Club, Musicals, Band, Majorette and the Delta Zeta sorority. She is unmarried.

Tuesday afternoon, Sept. 4, Freshmen will get their schedule at the High School. Upperclassmen will receive their schedules on September 5, and classes will be in session on September 6.

## EDITORIAL

### High Pressure Salesmen and Relief Clients

The recent crackdown on relief allotments has led to an investigation into the use of relief checks for purchasing luxury items.

Evidence has already been uncovered that door-to-door salesmen plan so that their visits follow closely the receipt of the relief check by a family. It is also suspected that relief money is used to purchase expensive luxury items such as TV sets.

Of course, families using relief money in this way should be held responsible. But the high-pressure salesman who persuades them to purchase luxuries with money he knows is not truly theirs should be made to accept some of the blame, also.

Anyone recognizes that many of the families on relief are financially irresponsible. No amount of education or privation is going to make thrifty people of very many of them. Their inability to handle money sensibly is often the reason for their being on relief.

Starved for luxuries and with no prospect of being able to afford them in the foreseeable future, they're easy prey for the clever talker who convinces them that they can have something they've longed for—or that the salesman convinces them is exactly what they need.

The salesman or merchant who indulges in such tactics should share the blame, and the punishment.

### Your Governor Reports

by OTTO KERNER

Diversified entertainment, appealing to visitors of all ages, will highlight the Illinois State Fair this year as never before. Top entertainers of stage, screen and television will appear nightly on the grandstand stage. Space does not permit a complete list, but the prospects of seeing in person such stars as Red Skelton, Jim Reeves, Dick Clark, Jimmy Dean, Ginny Tiu and Charlie Weaver should be excitingly anticipated. These stars will appear on separate nights in the Grandstand revue. Other familiar headliners will be the Skitch Henderson orchestra, the Lone Ranger, Buster Crabbe, the June Taylor dancers, the Harmoncats and many others.

The appearance of Red Skelton marks the first time in his brilliant career that he has performed at a fair in the Midwest. The Skelton show, Saturday, Aug. 18, demonstrates the desire of the fair management to secure the best entertainment possible for the 1962 event. A special added attraction this year will be the Water Folies Revue to be presented on the world's largest portable stage and pool. This is a sparkling two-hour show that was a feature of the Brussels World Fair. Two shows will be presented daily at 6 and 8:30 p.m.

To thousands of persons state fair means harness racing, and the Illinois fair has always excelled in this type of spectator sport. Four new races have been added to the speed program this year and as usual it will feature the Illinois state fair stakes as well as the Grand Circuit races. No doubt the winner of the 1962 Hambletonian, to be raced later this year, will be seen in action on the Springfield track.

For those who like more speed the championship automobile, and motorcycle races will be held on the final two days of the fair, Aug. 18 and 19. Top drivers and riders in the country will compete. A special auto thrill show is an added attraction following the motorcycle races.

The first Sunday of the Fair, Aug. 12, is again Veterans' Day, marking one of the most colorful events held annually in the Midwest. The performances of the finest drum and bugle corps in the state provide an afternoon of memorable entertainment.

The Horse Show to be held nine nights in the Coliseum is one of the largest and most diversified in the country. Top show horses from all

over the nation will be here to compete for awards.

The interest generated in the fair this year by its outstanding and unusual attractions indicate another record attendance.

See you at the fair!

The nation was shocked and frightened by the report of thousands of deformed babies born after their mothers took a sedative containing the drug thalidomide, during their pregnancy.

Every pregnant woman who took a sedative is wondering if the drug she took contained the dangerous drug. Discovery that samples of the drug had been handed out by physicians in this country has raised a new terror in the mind of every prospective parent—"How sure is my doctor of the effects of the drugs he gives me?"

The question is raised as to whether the laws controlling approval of drugs for general use is tight enough. Discussion of the pros and cons of how to accomplish this end without depriving the public of the use of beneficial new drugs will go on for some time, and probably some new laws will be added to try to forestall the possibility of a tragedy such as happened in Germany ever happening here.

But the most amazing fact coming out of this tragedy is not that a harmful drug could have slipped by our astute authorities, but that thousands of pregnant women felt they had to have a sedative. And evidently their doctors agreed with them, for they supplied the drug.

Why did so many women need the drug? Were they ill? Or simply unwilling to face the discomforts of pregnancy without a crutch? Are the prospective mothers of today so lacking in backbone that they can't face even the prospect of the physical pain of becoming a mother without a sedative or tranquilizer to lull them into a false sense of security and well-being?

And if they are so weak-kneed, how will they face the terrors of parenthood? Will

## The Saga of Sequoit Creek

By Dr. George Jensen

Help! Help! Is there no help for a once proud waterway?

I am Sequoit Creek. Years ago some folks called me "Sequit Creek." If it were not for me there would be no Village of Antioch. I have been of paramount importance to the Village of Antioch since 1837. Many years ago I was appreciated as a treasure, a rushing stream, a natural resource of great value that could not be duplicated. Today I am looked upon as a nuisance.

In 1837, the first home was built in Antioch. The structure was built on my north bank, a short distance west of the old Milwaukee Trail that is now your Main Street. In 1839 a saw mill was built in the same area and I was pleased and happy to provide the power to saw the timbers and lumber needed by the early residents.

In later years a feed grinding mill was built on Main Street and for many years farmers from a wide area hauled their feed grains to Antioch to be ground. The mill was a busy place. My power made it possible. You can see, folks, I have had a proud history—so proud and important in fact that a number of your local organizations have honored me by adopting my name. Look at 'em—The High School Sequoia Year Book—Sequit Masonic Lodge—Sequit Post of the VFW. And there is Sequit Harbor. And there was a Sequit farm.

On my south bank at Main Street is a modern new improvement, a building housing a Rambler Auto Agency. Wish I could ramble along like those Ramlers.

My drainage area is very large. On the east side of Highway 21 and 83 my area extends to the south beyond Grand Avenue (Rte. 132) and is the outlet for Deep and Sun Lakes in Lake Villa Township. To the east my area extends to, and in some places beyond, Deep Lake Road and I provide drainage for Loon Lake, East Loon Lake and Silver Lake. To the north my area runs beyond North Avenue almost up to Cross Lake in Wisconsin. Surprised? Gurggle!

Two Waterway Division inspectors were surprised when they checked my drainage area with their maps. They estimated that I drained between 8 and 10 square miles. Their elevation map showed my fall between Loon Lake and Lake Marie to be about 20 feet.

On July 17th I was delighted when the two State Division of Waterway inspectors came to Antioch to check on my condition. At last, I thought, here comes the help I need so badly. I was happy when I heard the inspectors gasp in astonishment as they viewed the new five foot tile at Main Street. You see, the tiles were not all fitted together tightly and at one joint there was a gap at the top of about 5 inches. The inspectors remarked that the tiles were too small and were not placed deep enough. They also recognized that the course of 5 foot tile laid about two years ago was not straight.

From this 5 foot circular tile I run into a rectangular culvert 8 foot wide and 7 foot high placed under Main Street since it was paved in 1921.

Folks, believe me, I am in one heck of a shape. I feel miserable. Imagine yourself in a rigid strait-jacket, a rigid unstraight strait-jacket. Underneath Main Street, I have a rectangular culvert 8 feet wide and 7 feet high, a 56

square foot opening. At the

I am constricted by the circular 5 foot tile which has a 10.03 square foot opening. Figure it out for yourself. A village ordinance would have prevented this situation.

How would "Annie Mae" feel to be girdled up like that if she were a creek? You and I know, "Annie," that the butges have to go some place. The too small, not placed in my true course and above my true bottom, impedes my flow and causes my waters to back up, resulting in damaged property.

It was my understanding that no one could legally obstruct or divert flowing water.

The Antioch Village Board had requested that larger facilities should be provided for me just east of Main Street. It was to no avail. An ordinance is needed.

Listening attentively, I heard the inspectors inform Mr. Dave Nissen, a Village Board member and Chairman of the committee on Surface Drainage, and my friend, Dr. Jensen, that a state permit was needed prior to my being connected to a highway culvert. All this made me feel a little better. A number of pictures were taken by the inspectors. I liked that. The men went to the east end of the five foot tile. First came a small placid pool, my waters with little place to go. The five foot outlet was not placed deep enough. Jay Nash will tell you that I cannot run uphill. Back in the "jungle" behind the implement building a smelly fire was smoldering in an old dump on my south bank. I was so ashamed. Go and see it for yourself and while you are there crash through the brush a little farther. If you can, toward the railroad. You'll be surprised that such conditions can exist in your business district—only a stone's throw from your Village Hall.

On both sides of the railroad track, the men saw quiet pools, my water having no place to go. Further upstream to the east they saw stones and debris with brush and trees growing out of my banks and bottom. The men then checked the 5-ft. village culvert at Anita Street and found that it was in need of repair. Dave Nissen informed the men that two 5 ft. culverts were to be placed at a lower elevation at this point, pronto.

About this time the state inspectors said that they had seen enough. They would send in their report of my condition to Mr. Thomas B. Casey, Chief Engineer of the Division of Waterways at Springfield and we would hear from him in a short time.

You see, a friend of mine had circulated a petition in the Spring of 1962. It was signed by 62 residents and property owners in the Village of Antioch and adjoining areas. The petition appealed to the Village Board for help and requested that the Board investigate and initiate action to prevent future flooding.

The petition was presented to the board at the May 1, 1962 meeting. On July 9 a photostatic copy of the petition, with the signatures and a letter explaining the situation, had been sent to Mr. Casey.

My friend received a report in a short time. And here it is:

"An inspection of the area was made on July 17, 1962 indicating that the Division of Waterways does not exercise jurisdiction over the problems referred to in your letter. We believe this to be a local problem and should

they need a daily sedative to blunt the edge of their fears, joys, worries and griefs—and judgment?

And when their children are fearful, how will they comfort them? Will they give them a tranquilizer to lean on?

"I'm always amazed that women will tell things about their family life at a card game that they wouldn't confide to their doctor, pastor or mother."—Janet Figg in the May issue of Successful Farming magazine.

Phone 395-0460

### Along The Way

With Annie Mae

be handled by local agencies

"Local agencies having jurisdiction," Mr. Casey wrote. "What local agencies could that be? I wondered? The Township? Perhaps some help. The County? No. The Village? Yes, I guess. Who is to represent the residents affected who live outside the village limits?"

In a booklet entitled "Illinois Laws Relating to Waterways 1961" on page 68 you will find the Illinois Municipal Code covering this matter.

The first paragraph on the subject reads as follows:

"JURISDICTION OVER WATERS CHAP. 24 PAR. 7-4.4. The corporate authorities in all municipalities have jurisdiction over all waters within or bordering upon the municipality to the extent of 3 miles beyond the corporate limits."

This sounds good and should bring relief for a creek like me.

It would be well, for all village officials and others interested to read and study all the material pertaining to the problem as set forth in the state code.

I know that provision for the efficient functioning of a waterway like me costs money. My course to the east of Main Street is chiefly through business property. My wish is that the Golden Rule will also apply to business.

Tumors have it that the village roads, subject to flooding, would be raised. Why not lower my bottom and clean out my sides? That would not be a makeshift project and could be accomplished at less cost.

Now I am covered over at Main Street with layers of sand. Things look black and hopeless. However, I am a tough old creek and will be around for a long time. I've been rambling along in places. You know we creeks don't know much about "Saga" writing.

You'll see me and my bulges in the Spring of 1963 and every Spring thereafter. I'll try to be as kind to you as possible.

Thanks for your interest, Sequoit Sue

P.S. You have read part of my story. There is more to come. Remember this, folks, I was a natural free and once proud stream.

You are my custodians, not my masters. S. S.

THURSDAY, AUGUST 9, 1962 THE ANTIOCH NEWS 2

## J. Edgar Hoover Speaks of Crime

J. Edgar Hoover, the nation's watchdog and head of the FBI, recently released crime reports which list 1,928,000 serious crimes perpetrated in the U. S. during 1961.

This number topped the all-time record of 190 by 3 percent. Amazingly enough during the past 5 years, crime has outstripped the growth of population 5 to 1. Crimes committed by youths have continued to rise shockingly, according to Hoover. Arrests of those under 18 years of age were up 4 per cent above the 1960 total. This age group is credited with 43 per cent of all arrests for the more serious offenses of murder, forcible rape, robbery, aggravated assault, burglary, larceny and automobile theft.

The increase in the crime rate, hurtling ever upwards, has made the job of being a

45 so Dad can come in to work every day!

DID YOU HEAR: the one about the country boy who thought Bunny Girls were female rabbits?

Have a great day. Along the Way Annie Mae

law enforcement officer increasingly dangerous. Of the 71 officers who met violent death during the course of their duties last year, 37 were killed by vicious criminals. Twelve of the criminals were 21 years of age or younger.

Hoover stated that the crime increase poses a deadly menace to the average man, woman and child in America. "It means that day or night, at work or play, the individual's basic rights of personal security and pursuit of happiness are steadily diminishing," Hoover said.

He prescribed no remedial answer to the problem, stating that the causes and factors of crime are far too varied and complex. Hoover blamed wholesale disrespect for law and order in our nation. "Indulgence," Hoover said, "and materialistic selfishness are eroding the tried and true American traditions of honesty, integrity and fair play."

In a widespread appeal, Hoover asked for the aid and cooperation of each and every U. S. citizen to combat the threat of crime.

ON NEW CHEVROLETS

TO PLEASE EVERYBODY

(WELL...ALMOST EVERYBODY) CHEVROLET

Even the most persnickety luxury-lover couldn't ask for very much more than a Jet-smooth-Chevrolet (like that Impala Sport Coupe at the top). Yet it's all yours for a Chevrolet price. (And you know how low that is.)

JET-SMOOTH CHEVROLET

Here's the best thing that's happened to make money go further since budgets—the lively low-cost Chevy II. It's got all kinds of room. And comes in 11 models, too—like the Nova 2-Door Sedan (second from top).

CHEVY II NOVA

Want a roomy family car and a sporty driver's car for one low price? The rear-engine Corvair Monza (e.g., that Club Coupe, third from top) plays both roles to the hilt. Care to join the club—and get a buy, to boot?

CORVAIR MONZA

## B. E. Degree; Joyce Babor

Miss Joyce A. Babor, Antioch, is a candidate for a bachelor of education degree in elementary education at Whitewater State College.

Commencement exercises for the 128 seniors, largest summer session class, to graduate from the college, will be held Thursday, Aug. 9, at 2:30 p.m. in the college auditorium.

Dr. Richard J. Brown, summer session director, will be the speaker. Dr. Cord O. Wells, dean of instruction, will present the graduates and Dr. Walker D. Wyman, Whitewater's president, will conduct the recognition ceremony.

A reception for the graduates and their guests will be held at the Student Union immediately following the commencement service.

Miss Babor, of Rte. 2, Box 148, Antioch, teaches at Bench Park School.

## Resident Serves in Fund-Raising Drive

MONMOUTH, Ill. — A \$10,000 "challenge" gift has been received by Monmouth College for the second straight year because of record participation by alumni of the college in the annual Alumni Loyalty Fund program.

During the fiscal year just closed, 46% of Monmouth's nearly 7,000 alumni made gifts to the college, a six-point increase over last year's record of 40% participation.

Alumni gifts to Monmouth during the year totaled \$80,000, about 15% of the total of \$530,000 received by the college from all sources.

A nationwide organization of volunteer alumni, headed by alumni association president William Woods of Prairie Village, Kansas, was responsible for the success of the program.

Charles B. Doty, R. R. 4, Box 76, Antioch, served as chairman for this area.

## Weekend Guest

Mrs. Myrtle Hufendick of Chicago was a weekend guest at the home of Mr. and Mrs. Joseph Horton.

## Antioch Men Visit Campus

Taking advantage of the University of Wisconsin's summer advance registration-orientation program for new freshmen during the past week were two young people from Antioch, Ill.

Under the program, the young men and women visit the campus for at least a day, often with either their mother or father or both parents, arrange for their housing if that is not already done, take some placement tests, meet some student leaders and faculty members, and register for their coming UW studies.

The new students will be returning to the UW campus Sept. 12 to continue their orientation into University life. Their fall semester classes will begin on Monday, Sept. 17.

Antioch students who visited the UW campus here during the past week to register for their studies are William J. Couch, Jr., son of Mr. and Mrs. William Couch, Rt. 4, and Danny R. Yates, son of Mr. and Mrs. Earl Yates, 287 Bridgewood Dr.

Mr. and Mrs. Wayne Dyer moved here recently from Nebraska. They now live on North Avenue with their seven daughters, ranging in age from three to fifteen years.

Mr. and Mrs. Ronald Sheeple and their two sons, three and five years old, moved from Chicago to a home in Rosings Subdivision.

Mr. and Mrs. Mike Ukropian moved from Chicago to a home on North Avenue in Antioch recently. Mr. Ukropian, a former C.T.A. employee, is retired. The Ukropians have a daughter 18 years old and a son 21.

Mr. and Mrs. Wayne Dyer moved here recently from Nebraska. They now live on North Avenue with their seven daughters, ranging in age from three to fifteen years.

Mr. and Mrs. Wayne Dyer moved here recently from Nebraska. They now live on North Avenue with their seven daughters, ranging in age from three to fifteen years.

## Wedding Plans Announced

Rosina Mena, a graduate of Antioch High School, and Pfc. William M. Gallagher, also a graduate of Antioch High School, will be married at 12 noon on August 11 at St. Peter's Church in Antioch.

Pfc. Gallagher, son of Mr. and Mrs. Roy Gallagher of Lake Marie, who is stationed at Fort Carson, Colo., is home on leave for fourteen days.

After graduation from Antioch High School, Miss Mena attended Loyola University. She taught at Lakeview High School and will continue her studies to get a Master's degree.

The wedding will be a double ceremony, as Rosina's sister, Amelia, will marry Eric Hanson of Mexico at the same time.

The Gallaghers will honeymoon in Mexico.

## Richard Srch To Engineering School

Richard W. Srch, son of Mr. and Mrs. Henry J. Srch, Lake Villa, Ill., has enrolled in the Mechanical Engineering course for the 1962 Summer Quarter at the Milwaukee School of Engineering.

Srch is a 1957 graduate of Antioch Township high school.

A total of 514 students are attending MSOE classes during this summer quarter. Of this total 77 have registered for the first time.

In addition to the engineering technology programs, the Milwaukee School of Engineering offers a pre-technology program for the benefit of new students who need to strengthen background and remove academic deficiencies before admission to the college-level program.

Mr. and Mrs. Mike Ukropian moved from Chicago to a home on North Avenue in Antioch recently. Mr. Ukropian, a former C.T.A. employee, is retired. The Ukropians have a daughter 18 years old and a son 21.

Mr. and Mrs. Wayne Dyer moved here recently from Nebraska. They now live on North Avenue with their seven daughters, ranging in age from three to fifteen years.

MR. AND MRS. ROBERT WELLS after their wedding in Lake Villa, recently. Mrs. Wells is the former Joyce Blumenschein.

## Joyce Blumenschein Weds Robert Wells At Lake Villa

Miss Joyce L. Blumenschein of Lake Villa and Ensign Robert M. Wells of Cambridge, Ohio, were united in marriage in a double ring ceremony at the Lake Villa Methodist Church at 4 p.m. on Saturday, July 28.

The bride is the daughter of Mr. and Mrs. Gordon Blumenschein of Lake Villa and the bridegroom is the son of Mr. and Mrs. Ross V. Wells of Cambridge, Ohio. The marriage ceremony was performed by the Reverend Virgil Smith. The bride was given in marriage by her father.

The bride's bouffant gown of white Chantilly lace had a fitted bodice with long sleeves and a V-neckline beaded with sequins. The back of the skirt was tiered with pleated tulle and lace, ending in a chapel train. The fingertip veil was held by a crystal crown. She carried a cascade bouquet of white roses and stephanotis.

The maid of honor, Miss Lois Wells of Cambridge, Ohio, sister of the groom, wore an azalea sheath gown with a bouffant overskirt and a nylon straw bow headpiece with a circular veil. She carried a cascade of carnations.

Antioch, Miss Haase was presented with a wristwatch from all the members of the family.

Mr. and Mrs. WM. TERRY VISITING IN ANTIOCH

Lieutenant and Mrs. William Terry are visiting Mrs. Terry's mother, Mrs. H. B. Shepard, and grandmother, Mrs. Margaret Gaston. Mr. Terry has been stationed at the Sheppard Air Base in Texas. From Antioch, they will go to Urbana, Illinois, where Mr. Terry will attend the University of Illinois.

REBEKAHS SPONSOR LUNCHEON, CARD PARTY

Rebekahs have scheduled a salad-bar luncheon and card party for 12:30 p.m. on August 15 at the American Legion Hall on Ida Avenue.

ST. PETER'S SALAD BAR AND CARD PARTY

Co-chairmen, Mrs. Leroy Frank, Mrs. Vincent Stonis and Mrs. Joseph Sterbenz, Jr., tell us that plans are well on the way for the "Annual Salad Bar Luncheon and Card Party," scheduled to be held by St. Peter's Altar & Rosary Society on Wednesday, August 15th at 12:30 p.m.

LOCAL COUPLE TRAVEL THROUGH NORTHWEST

Mr. and Mrs. Elmer Kufalk returned last Thursday from a three-week motor trip through the Pacific Northwest.

The Kufalks saw the Glacier National Park, Banff and Lake Louise in the Canadian Rockies and spent several days at the World's Fair in Seattle. They visited the shipyards at Bremerton, Washington and took a tour on the battleship Missouri.

On the homeward trip, the Kufalks visited relatives in Denver.

Mrs. Kufalk commented that they drove 5900 miles without seeing a traffic accident, probably something of a record in this day and age. Part of their trip was in heavy traffic as in Seattle.

JAHNEKES ATTEND FAMILY REUNION

The Edward Jahneke family attended a family re-union on Sunday, August 5th, held at the home of Mrs. Jahneke's Aunt and Uncle, Mr. and Mrs. Edward Haase, of Winnetka. The occasion was a surprise Birthday party for Mrs. Jahneke's Aunt, Miss Delia Haase of Clearwater, Florida, on her seventy-fifth Birthday. Relations were there from Kansas City, Missouri; Ridge-wood, New Jersey; Clearwater, Florida; as well as Chicago, Glenview, Downers Grove and

Antioch, Miss Haase was presented with a wristwatch from all the members of the family.

Mr. and Mrs. Mike Ukropian moved from Chicago to a home on North Avenue in Antioch recently. Mr. Ukropian, a former C.T.A. employee, is retired. The Ukropians have a daughter 18 years old and a son 21.

Mr. and Mrs. Wayne Dyer moved here recently from Nebraska. They now live on North Avenue with their seven daughters, ranging in age from three to fifteen years.

Mr. and Mrs. Ronald Sheeple and their two sons, three and five years old, moved from Chicago to a home in Rosings Subdivision.

Mr. and Mrs. Mike Ukropian moved from Chicago to a home on North Avenue in Antioch recently. Mr. Ukropian, a former C.T.A. employee, is retired. The Ukropians have a daughter 18 years old and a son 21.

## McClory's Are Grandparents

Robert McClory, Republican candidate for Congress, and Mrs. McClory of Lake Bluff, became grandparents for a second time on July 30, 1962, when their daughter, Beatrice, now Mrs. Donald Etienne of Zurich, Switzerland, gave birth to her second son.

Mr. and Mrs. Etienne have named the child, Michael Olivier Etienne after the McClorys' two other children, Michael and Oliver.

A cablegram from Zurich advises that the mother and eight pound boy are both doing well.

Mr. Etienne, a Swiss lawyer, and Mrs. Etienne were married in Lake Bluff in June, 1960. They have another son, Robert, born last year while the couple were residing in Lake Forest.

## Stephen Chandler To Grinnell

Stephen Chandler, son of Mr. and Mrs. E. H. Chandler of 170 Oakwood Dr., Antioch, has accepted a scholarship at Grinnell College, where he will be one of some 330 freshmen entering the college next month.

Chandler is a graduate of Antioch High School.

## Slides Shown At Chapter

Slides of Mrs. Morris Verken receiving her cap and gown at Mooseheart was the highlight of the chapter night for the Women of the Moose. Members of the executive committee present at the affair Thursday, August 2nd, also witnessed slides of the installation of officers and the honorary dinner for Mrs. Verken, when she was crowned queen of sponsors. The dinner was held at Mooseheart.

Mrs. Sath Mark reported on the Handbook Session held at Rockford, Illinois, Sunday, July 28. The session was attended by the elected officers of Women of the Moose.

Members of the executive committee were Mrs. Harold Young, Mrs. Clarence Jarvis, Mrs. Jack Maleki, Mrs. Harvey Ghelis, and Mrs. Frank Kennedy. Refreshments were served.

Coming events for the Women of the Moose include a Mooseheart committee meeting at Louise Link's home, and a Library committee meeting at Carolyn Arthur's home, both August 8th.

August 9th has been set as the date for officers meeting and Publicity committee meeting. They will be held at Alice Young's home and Barbara Warner's home respectively.

The next scheduled business meeting will be August 15th at the Moose Home.

JANET POLLEY is shown with Herbert W. Fraser, Washington University Professor of Economics, at the American Freedom Institute at St. Louis.

## Janet Polley At Summer Institute

Seventy-five high school students from all over the country have completed the American Freedom Summer Institute held at Washington University, St. Louis.

The five-week institute was held for outstanding students who will be high school seniors in the fall. The program was designed to provide these students with an opportunity to learn more about the purpose and meaning of American freedom. Teachers were members of the Washington University faculty and the high school faculties of the area.

## Rainbow Girls Meet Monday

Antioch Assembly No. 23, Order of Rainbow for Girls, will meet on Monday, August 13 at 7:30 p.m.

Harriet Wells, worthy advisor, will preside. Doreen Fencil will be initiated into the Order.

The scrap books and dresser scarfs are due at this meeting.

Mrs. Martha Hunter accompanied some of the girls to the Official visit of Grand Worthy Advisor at Blue Star Assembly, Chicago. Antioch has been invited to attend the official visit of Diane Welker, Grand Worthy Advisor at Oak Park on Friday.

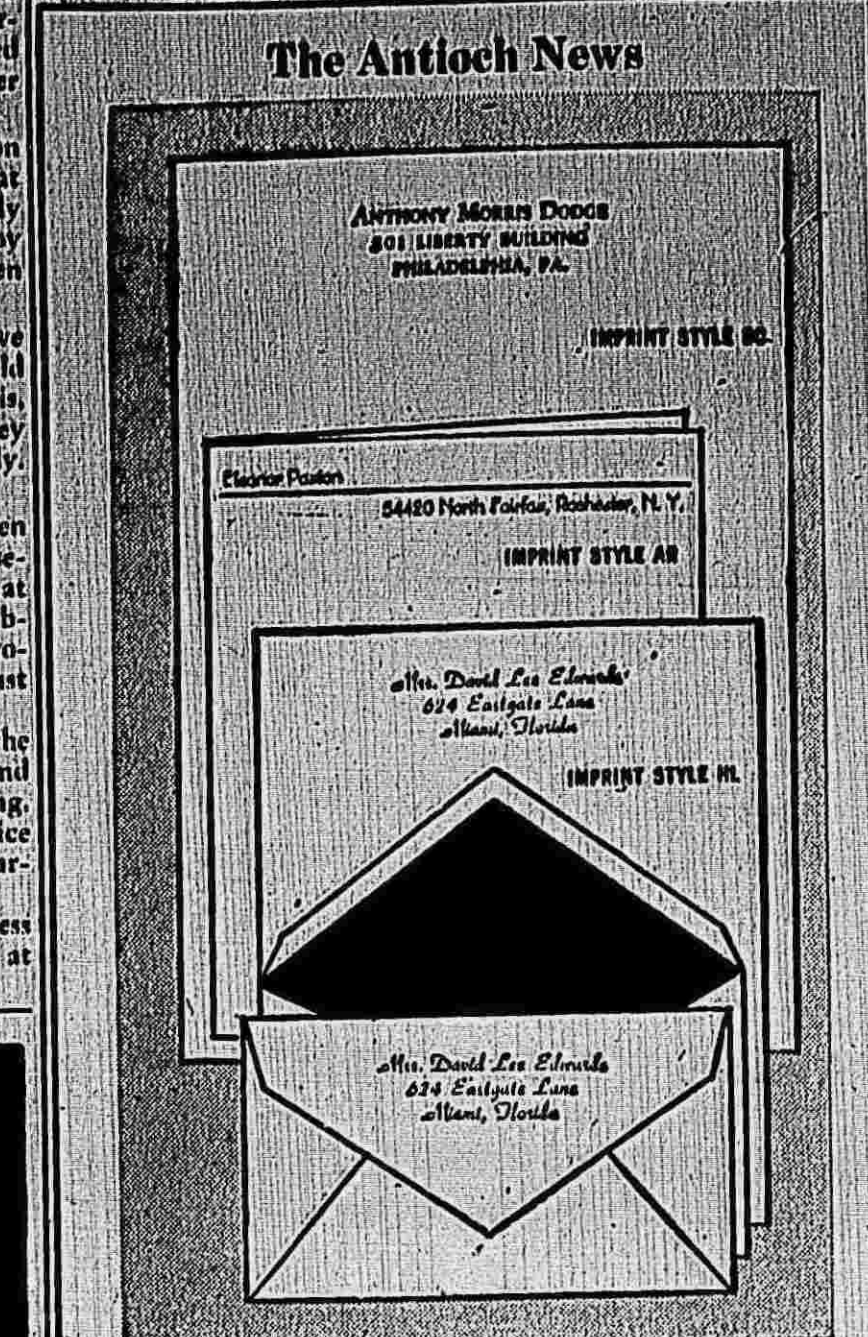

Mrs. Hunter and Mrs. Wilma Gibbs, mother advisor, accompanied the girls to Rockford for the Grand Worthy Advisor's visit.

On Thursday Harriet Wells, worthy advisor, will be guest at Radiant's (Waukegan) Friend's night and also the reception of their Grand Representative.

## Local Salesmen Win Dealership Honors

Earl Stringer, a salesman with Kopper-Piccone Motor Co., 350 Main St., Antioch, has earned a "Master Salesman" award for being among a group of outstanding salesmen in Lincoln-Mercury dealerships. T. C. Smith, Chicago district sales manager for Lincoln-Mercury Division announced today.

His outstanding sales productivity has placed him among the top 12 per cent of all Lincoln-Mercury salesmen in the nation and earned him special recognition from the Lincoln-Mercury Sales Council.

JULIE NISSEN (at extreme left, in shorts) partially hides the face of Suraya Brook, in this picture of a group of students attending the Conservation Workshop at Carbondale last week.

## Local Girls At Workshop

Suraya Brook and Julie Nissen, both of Antioch, attended the Youth Workshop on Conservation at Southern Illinois University at Carbondale from July 29 to August 2.

The Workshop covers elements of the scope, problems and benefits of conservation activities. Study includes Soil Resources, Forest, Fish, Water, Mineral and Game Resources.

Instruction is conducted by lecture by competent teachers with instructional aids such as movies, demonstrations, field trips and publications.

## Increased Revenue From Ill. Tollway

Preliminary traffic revenue of the Illinois Tollway for July this year was \$2,969,171 as compared to \$2,718,255 for the same month a year ago, an increase of \$250,916 or 9.2%. It was announced today (Wednesday) by A. H. Knauerhaze, executive director of the Illinois State Toll Highway commission.

Revenue figures, subject to audit adjustment, indicate traffic revenues of \$14,992,071 for the first seven months of 1962 as compared with \$13,133,098 for the same period of 1961 an increase of \$1,858,973 or 14.2%. In comparison with the same period of 1959, the tollway's first year of operation, the increase amounted to 100.9%.

Average daily toll revenue for July, 1962, was \$95,780 as compared to \$87,086 for

the same month a year ago. Average daily toll revenue for the first seven months of 1962 was \$70,702 as compared to \$61,040 for the same period in 1961.

## Air Force Seeks Men

The U. S. Air Force is seeking to procure nearly 2,000 men for training in over 450 career fields, from the country's midwest, during the month of August.

Sergeant Maurice L. Edwards, local Air Force recruiter, said that the procurement figure of 1,937 men without previous military service was received from the Chanute (Ill.) Air Force Base Headquarters of 3505th USAF Recruiting Group today. This procurement drive will filter young men meeting Air Force qualifications into one of four training categories: electronics, mechanical, administration, and general. These categories head over 450 individual fields for which the Air Force offers complete training.

Although men with high school educations are preferred, a high school diploma is not required to enlist. However, all applicants must pass on entrance examination. Air Force personnel are able, through the service's education program to continue their education, to include obtaining a college degree.

Persons interested in the Air Force program may obtain more information by calling MA 3-8290 and arranging for a personal interview, or visit the Air Force Recruiting office at 325 Washington Street, Waukegan, from 8:30 a.m. to 5 p.m.

## Government Spending

According to the Chamber of Commerce of the United States, our government spending has grown so vast that in a 15-month period it would be sufficient to buy up everything that Soviet Russia produced in one year, including financing the Russian armed forces and all their missile work.

## Warren Polley At Workshop

Warren Polley, assistant principal at Antioch High School, attended the first annual School Business Officials' Workshop at Normal, recently.

Fifty-two school business managers and administrators from nine states enrolled in Illinois State Normal University's first annual School Business Officials' Workshop recently held on the university campus.

Sponsored by the ISNU department of education and psychology, the workshop received the endorsement of the Association of School Business Officials of the United States and Canada as well as the Illinois Association of School Business Officials.

Its purpose was to give business managers and persons interested in school business a concentrated course on such subjects as school accounting, purchasing, school law, insurance, and public relations. A special guest faculty as well as members of the regular university staff provided instruction during all sessions.

Spring rains can cause windshields to become splattered with mud and water, impairing visibility and driving efficiency, cautions the Chicago Motor Club. A

## DEATH NOTICES

### JOHN LIPPERT

Mrs. Golda Gerby, 66, of Grass Lake Road, died Tuesday afternoon in Victory Memorial Hospital after a brief illness.

An Antioch resident for 11 years, she was born July 29, 1906 in Huron, Kansas. Surviving are her husband, Raymond, a son, Raymond, Jr., of Antioch; two daughters, Mrs. Patricia Graves of Fox Lake and Mrs. Lila Olson of Leonard, Minn.; two brothers, Russell and Fred Brooks, both of Huron, Kansas, and 9 grandchildren.

Services were held at 2 p.m. Thursday at the Colonial Funeral Home, with the Rev. L. H. Messersmith of the Millburn Congregational Church officiating. Burial was in Warren Cemetery.

### JOHN LIPPERT

John Lippert, 73, of 174 Main Street, Antioch, died Saturday at 3 a.m. at his home after a lengthy illness.

He was born December 10, 1888, in Schoenwald, Germany. He came to America in 1929 to Trenton, N. J., where he worked for Lennox China; then to Canton, O., where he worked for Hercules Motors; then to Antioch in 1937, where he worked

Hot showers turn cold before you're through?

Get more hot water faster with a new "family size" Gas water heater

If your household has hot water shortage problems, chances are your present water heater is out of date, too small or slow on recovery.

Today's units are designed to keep pace with larger families and with modern appliances which consume large volumes of hot water. Increased burner capacities give you stepped-up recovery rates that replace hot water as fast as it is used—for laundry, kitchen and bath.

Only gas provides so much hot water, so fast—so economically—does it for 1/3 the operating cost of other kinds of water heaters.

So dependable, too. Modern gas water heaters are backed with extra-long guarantees of ten to fifteen years. And gas water heaters work for you even if your power should fail.

So stop at your plumber-dealer's or Northern Illinois Gas store. Select from many famous brands. You can even get models which you can adjust to provide varying amounts of hot water, according to changing requirements.

Get an attractive trade-in allowance now for your old water heater on a new, "family size" gas water heater. Liberal budget terms, too.

## Lindenhurst News

By Mrs. Bernice Bernau ELiot 6-4449

**Holy Name** Members of the Holy Name Society of the Prince of Peace Church will receive Holy Communion next Sunday at the 8 o'clock mass.

**Splash Party** The CVO splash party will be held next Saturday, Aug. 11, from 7:30 p.m. until 11 p.m. at the Antioch Swimming Pool. Cars will leave from Prince of Peace parish grounds at 7:30.

**The Lindenhurst Daisies** had their picnic Aug. 2 at the home of Mrs. Edith Westberg. Each girl was allowed to bring guests. Marianne Smith invited Alice Bromstead, John Bonner and Lloyd Peterson. Lorie Lewis invited Tom Merley and Jeff Ryan. Barbara Young's guests were Bill Polka and Mike Evans. Guests of Pat Wallock were Gretchen Potter, Chuck Hertel and Ralph Schwartz. Pat Solberg was Barbara Warchol's guest.

Each girl in the 4-H Club prepared chicken. Also on the menu were shoestring potatoes, relish dish, rolls, pop or coffee, and watermelon. Before and after eating, the group enjoyed playing horseshoes, volleyball, croquet and baseball.

Later the guys and dolls went over to Lori's where they played games and danced until midnight.

At the County Fair, Barbara Young was awarded a blue ribbon for her clover leaf rolls. Green ribbons were awarded to Barbara Warchol, Pat Wallock and Lorie Lewis, also for clover leaf rolls.

Pat, Lorie, Marianne Smith and Carolyn Westberg all received blue ribbons for the garments they made.

**Men's Club** Dances to be held in the future with the Women's Club, were the main topic of discussion at the Men's Club last Thursday evening. Doug Ploss is chairman of the Club's ad book. This will not be just an ordinary ad book. They hope to have many things of interest in it.

The book will be given to everyone who attends the Founders Day Dance on Dec. 1. The Women's Club will meet Aug. 9 at the Civic Center at 8 p.m. Prizes will be awarded to the lady who make the prettiest and the silliest hats.

The Rummage Sale will be the main topic of discussion. Also, the Roaring Twenties dance. Babe Hartwig, Chairman, will be taking reservations for the dinner-dance. Nick Di Cristo, singer and guitar player will entertain for an hour before the dancing starts. Get your reservation in early as there will be a limited number of tickets sold.

**Second Child** Richard and Audrey Jereb are proudly telling their friends that they have a son, Richard Frank, born August 2, at St. Therese Hospital. Laura Ann, their first child, is 15 months old.

The paternal grandmother is Mrs. Stephanie Jereb of Waukegan. The maternal grandparents are Mr. and Mrs. Peter Daujotas, also of Waukegan.

The Jerebs moved into their new home July 1 from Waukegan. Richard works for the Out-Board Marine Corporation in Waukegan, but is going to night school learning to be an electronics technician.

**Picnic** Circle August 28 on your calendar. The first annual congregation picnic for parishioners of St. Mark's Lutheran Church will be held at Lutherdale, Elkhorn, Wis. Worship service will be held at the chapel there at 11 o'clock a.m. A pot-luck dinner will be had at 12 noon. In case of rain, dinner will be eaten indoors in a large dining room. All types of recreation, including boating and swimming is available, at no charge.

**Family Picnic** About 20 relatives of Bob Spiegel's enjoyed a picnic at his home Sunday.

**House Guests** Gene and Donald Koziel of Cicero have been staying at the John Sutherland home all week.

**Hospital Patient** Suzanne Zagan, of Sand Lake Road was in Victory Memorial Hospital for a day

## Chicago Area Food Markets

Major food retail prices held at prevailing levels, perhaps on the brink of a decline as cost rises in supply channels come to an abrupt halt on generally improving supplies and buyer resistance.

As stores flag continuing steady competitive prices, perhaps to balance their recent low dollar returns, the University of Illinois consumer service notes these bargain buy opportunities, often selected for promotion, for the marketing period ending August 11:

**Poultry**—fryers and turkey; Meats—beef chuck roasts, ground beef, pork steaks, picnics and smoked butts; Produce—cucumbers, sweetcorn, green beans, cabbage, potatoes, tomatoes, lettuce, pears, blueberries, cantaloupe, peaches and plums. As the red meats weaken, poultry leads off the value list despite the fact this line generally continues to price higher than during the disaster glut of a year ago that put a good many producers out of business. Turkey bargains are at least three weeks away even though some stores break with them this week. Chicago competitive turkey prices are in the 38-49c range.

**Grade A large eggs** established a wider range, now quoting 47-53c, in a firm trend in this line. This is well below year-ago levels. The problem continues to center not around total volume, but rather insufficient quantities of high standard quality. Most produce supplies now are well about the averages and seasonal volume continues to flood in. The better bargains are listed above.

## Channel Lake News

By Peter Kapell

**Channel Lake Bluffs** Voted for Lights

Channel Lake Bluffs Subdivision, at their last meeting, voted to install street lights in their subdivision. Officers are working on the necessary preliminary steps for installation.

New officers of the Association were elected at the last meeting. Fred Kroll was elected president, Mike Hruby, vice president, Henry Ten Brulin, secretary, and John Matejka, treasurer. George Svoboda and Walter Miller were elected to complete the Board of Directors. Previous Association President L. D. Bever, after serving several terms, asked to be replaced, due to the press of business.

**Back From Florida** Verne and Mary Heath returned last Wednesday from a two week trip to Pensacola, Fla., where they visited their son, Raymond. Anyone who has been waiting for a chance to play horseshoes with Verne will find him at home now.

Catherine Chase, daughter of Mr. and Mrs. Thomas Chase, is home again after nine days in Victory Memorial Hospital with a strep infection. George Kapell is a patient at Victory Memorial Hospital.

Susan McKinney celebrated her eighth birthday with a party on July 31.

Bill Whelen, who recently moved to Sun-Side Subdivision from Woodcrest Subdivision, returned last week from a month-long trip to Norway and Sweden.

Bill has relatives in Norway. He came to the United States from that country about 50 years ago. He previously traveled to his native country three years ago.

He found food and clothes good and reasonable in the Scandinavian countries, but prices on alcoholic liquor and cigarettes prohibitive.

Mr. and Mrs. Stanley Anderson, Jr., are the parents of a baby girl.

Mr. and Mrs. William Chase and daughters, Christine and Kathleen spent three days in Chicago recently, where Bill and Mary attended the American Legion and Auxiliary conventions.

Jack Hucker has returned to Channel Lake from a visit in California. Mrs. Hucker and their two children remained in California for a while.

The Channel Lake Community Club will meet at 8 p.m. at the Channel Lake School on Tuesday, Aug. 14.

Mr. and Mrs. John Runyard and children and Mr. and Mrs. Tom Runyard left last Friday for a vacation at Hurley, Wis.

Carol Sheen received many lovely gifts at a baby shower given for her by Mrs. John Runyard and Mrs. Barbara Bjork at the Bjork home last guests attended.

Gerta Swanson, Sun-Side subdivision, is visiting relatives in Sweden. Mrs. Swanson left Channel Lake in July and expects to remain in Sweden till October.

No two heart cases are exactly alike and only a doctor can give you specific advice about your child's heart or your own, according to Heart Council of Lake County.

and a half last week. The little lady had all the symptoms of appendicitis, but after laboratory tests were taken they found out that she didn't need surgery.

## Courthouse Notebook

BY LOU BURNIN

County Board Chairman Robert Dickson is expected to push for passage of a special resolution to establish a Lake County Public Works Department at Thursday's board meeting which could spark the hottest fight in many months among the supervisors.

Despite substantial evidence that such a department would benefit the county and despite recommendations from a citizens fact-finding committee and the recommendations of a private engineering firm, the sniping and opposition continue.

While it is true that the county government is getting a little topheavy with bureaus and departments, it would appear that a central agency at the county level would be preferable to the continued development of small regional drainage and sanitary districts.

There is already a mish-mash of small local drainage districts, sanitary districts, mosquito abatement districts, in addition to the Lake County Water District all going their separate ways and ignoring the needs and requirements of adjoining areas.

These local districts seldom come under the scrutiny of the public or the press because of their multiplicity and their size.

A central county public works department could develop larger and more efficient sewage and drainage systems, coordinating these programs with necessary flood control programs to provide the sanitary conditions which are vital to the health and welfare of the people of Lake County.

As a major part of the county government the public works department would be under careful scrutiny by the press, taxpayer groups and the general public, a factor which should provide some protection to the taxpayers.

The fate of Paul Crump

was one of the top subjects of debate up until Gov. Otto Kerner spared his life last week, but the decision to commute the execution to 100 years opened the way to some interesting discussions.

If Crump has been rehabilitated as an advocate of sparing his life in 1941, why did the governor specify 100 years without parole?

If his rehabilitation is sufficient to save him from the chair, it should be complete enough to justify his return to society.

It's our guess that Gov. Kerner has set himself up for a steady parade of tough decisions and has set a precedent that will haunt him and succeeding Chief Executives until the capital punishment law is banished from the state law.

Tuning in on after-show comments at the John Connolly special showing of Advice and Consent the other p.m. it appeared that most of those in attendance enjoyed the movie set in the U. S. Senate.

Since the majority of those present were no doubt Republicans because of the sponsorship of the special preview the comments on the movie carried a strong partisan flavor.

It would be interesting to eavesdrop on a similar audience made up of active Democrats to compare the reactions.

Lake County Democrats, led by Central Committee Chairman Bill Hartnett, are putting on a big push to turn out all the party faithful for the Democratic parade and picnic at Foss Park in North Chicago Sunday.

Chairman Hartnett is apparently building a fire under his followers and is developing some real enthusiasm for the Democratic cause in Lake County.

Meanwhile GOP Central Committee Chairman Robert Milton has his committeemen out hustling tickets for the annual Republican Golf Outing at Chevy Chase Country Club Aug. 22.

Milton is promising some interesting surprises for those who attend the clam-bake through which he hopes to raise a substantial war chest for the Fall campaign.

## News of Antioch Legion Auxiliary

Mrs. Warren Edwards, president of the Antioch American Legion Auxiliary, and Mrs. Lucy Himmels, Chaplain, were delegates at the annual Department American Legion Auxiliary Convention held at the Morrison Hotel in Chicago from August 1st to August 11th. Mrs. John L. Floran, Secretary, was there as an alternate. One of the highlights of the convention was the speech by Mrs. Howard McKay, National President. She had recently visited the Legion Auxiliaries in Korea, Okinawa, the Philippines, and saw how much they had accomplished in both money and volunteer work in the many orphanages.

At the last meet of the Antioch Unit, Miss Solveig Nelson of L. Villa, kept her audience in rapt attention as she reported her interesting and informative week at MacMurray College, Jacksonville, Illinois, attending the annual Illinois Girl's State program. Miss Nelson was chosen by the Antioch High School faculty on the basis of her character, good grades and good citizenship qualities. She was then sent to Illinois Girl's State as a guest of the Antioch Auxiliary Unit. At Illinois Girl's State, nearly 500 girls from all over the state, are taught all the phases of our form of government beginning with town, then city, county, state and National government. The two opposing parties are called the Nationalists and the Federalists. Elections are held, and Miss Nelson was elected both city clerk, and later on, a state representative. Many prominent legislators gave educational speeches. Mrs. Joseph Horton is the Illinois Girl's State Chairman of the Antioch Legion Auxiliary Unit, and was the person responsible for making all the necessary arrangements.

**TAX FACTS RELEASED**  
Francis S. Lorenz, Illinois State Treasurer, recently released figures dealing with the municipal retailer's tax. The release states that Antioch retailers received a total tax disbursement of \$31,179.25 for the period of January through July, 1962.

**ILLINOIS COUNTY FAIRS**  
There will be 104 county fairs held in Illinois this coming summer. F. L. Crum, superintendent of state and county fairs for the Illinois Department of Agriculture, has announced. In 1961 there were 105 county fairs in the state, but the Lawrence County Fair at Bridgeport will not be held this year.

The complete listing of fairs and their scheduled dates will be available about April 15. Those wishing copies should write directly to the superintendent of state and county fairs, Illinois Department of Agriculture, Springfield.

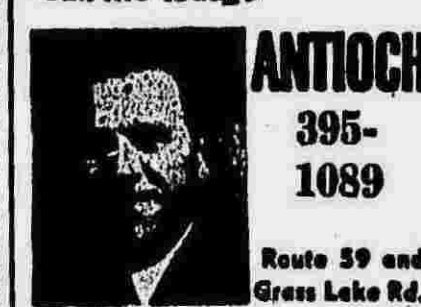

"Man has always had to work for what he wanted. This pattern was so ordained by the Almighty Himself. And even though some of the labor bosses today figure they are more powerful than He made us, they're not. We had all of us best realize what we're doing to ourselves."—Carrollton, Ill., Gazette-Patriot.

## Lake Villa News

By Mrs. Fred Bartlett  
**LAKE VILLA**—The Full Gospel Light House welcomes you to services at their place of worship located on Route 21 and Cedar Ave., Lake Villa. Sunday School at 9:45 a.m.; Sunday evening, 7:30 p.m.; Mid-week service at 7:45 p.m. Pastor Ralph Hartman.

Mrs. Raymond Rathmann, Mrs. Clarence Perkins, Mrs. James Boorman and Mrs. Fred Bartlett, Sr., attended the 42nd American Legion Convention in Chicago. The latter three attended the Saturday session and the Unit dinner at night held in the Terrace room of the Morrison Hotel.

Mrs. Ethel Marofski was unable to attend because of illness.

Mr. and Mrs. Bert Ray of Waukegan were visitors Tuesday at the home of Mr. and Mrs. Fred Bartlett, Sr.

Mr. and Mrs. Elbert Elkins and daughter have moved into the Bartlett apartment on Grand Avenue.

Mr. and Mrs. Edward Jackley and daughter visited relatives in Burlington, Wis., over the weekend.

Mrs. Ray Patterson and sons of Grayslake were visitors Friday at the home of Mrs. Tena Gerber and Arlene Letting.

Mr. and Mrs. Ray Bartlett and family of Waukegan were visitors Sunday at the home of Mr. and Mrs. Fred Bartlett, Sr.

Joint installation of the Lake Villa American Legion Auxiliary will be held Saturday, August 11, at 8 p.m. at the Venetian Village Civic Center.

Anna Vellkovic spent a few days visiting friends in Chicago, before going to Milwaukee to get her son, Tony, who spent a two weeks vacation with friends there.

Edna Cable of Antioch and Ann Nelson spent a day recently visiting at the home of Mr. and Mrs. Herman Keisler of Twin Lakes, Wis. Neil Riedel returned home Saturday from St. Theresa Hospital and is convalescing at his home.

Mr. and Mrs. Ray Bartlett and family of Waukegan will move into the house now occupied by his parents, Mr. and Mrs. Fred Bartlett, Sr., who will move to a cottage located at 215 Grand Ave., Lake Villa.

Mr. and Mrs. Frank Slozes, Sr., and daughter, Sharon, and Joyce Sheehan spent a week visiting Mr. Gus Swanson in Arkansas. Mr. Swanson was a resident of Lake Villa for many years before moving to Arkansas, with his wife, who passed away a few years ago.

The Lake Villa Firemen will hold their annual festival August 1, 17, 18, and 19 at Lehmann Park. The highlights of the festival will be the water fights between the women's teams.

There will be rides and games for everyone. Carol Bartlett was ill at her home a few days with a sore back. She is somewhat better.

Mrs. James Boorman will entertain the Lake Villa American Legion Auxiliary at her home Thursday evening.

## John Kimball Candidate

The meeting will start at 8 in Venetian Village.

Mr. and Mrs. Pete Volkovich and family of Chicago spent the weekend visiting Mr. and Mrs. Pete Zelkovich, Sr., over the weekend.

Theresa Zelkovich is getting ready to enter Marquette College in Milwaukee soon.

Mary Kay Jarvis and Ronald Gable visited Mr. and Mrs. Louis Williams of Bristol, Wis., Saturday.

Mr. and Mrs. Ed Sherry were honored at a surprise party recently in observance of their 18th wedding anniversary. Many friends and relatives were present.

Mrs. Annette Hanks and Mrs. Julia Gulfo and daughter of Libertyville were visitors Thursday at the home of Mr. and Mrs. Henry Jarvis.

Mr. and Mrs. Ralph Nader and family returned from a vacation at Chetek, Wis.

Mrs. Charles Cheek of Bakersfield, Calif., returned to her home after vacationing with her sister, Mrs. Elenore Brindize.

Mr. and Mrs. Wayne Sword and family were visitors Sunday at the home of Mrs. Elenore Brindize.

## John Kimball Candidate

John Clark Kimball, Democratic candidate for U. S. Representative to Congress from the 12th District, announced his intention to "get politics out of the back room and onto the main street of every town in the 12 District."

Mr. Kimball, who spoke at ribbon cutting ceremonies Monday, Aug. 6, marking the opening of the first Kimball for Congress headquarters in the 12th District, called the headquarters "symbolic of our determination" to give voters an opportunity to participate in the campaign.

The headquarters, which will be open Monday and Friday evenings through August and full time thereafter, is located at 105 South Genesee Street in Waukegan. Mrs. S. C. Hirsch and Mrs. Joseph Zupple are co-chairmen of operations and will guide the activities of a volunteer staff.

Kimball also said, "This is one election my opponent will not win because he was carried over the line on the back of his courthouse cron-

# News of Lakesports

## Two To Hospital, Rolls & Crashes At Wilmot

The regular Saturday night program of racing was the most spectacular ever witnessed at the Kenosha County Speedway in Wilmot on August 4, as it required more than one hour to run off the semi feature race due to accidents which caused two drivers to be taken to the hospital for overnight observation.

Shaken up and with minor injuries reported at the track were John Palovich, Kenosha, and Jim Plerner, Menomonee Falls, Wis. Their accidents did not wind up the excitement, but rather seemed to touch it off.

In the 50 lap feature race, Ed Ervin of Waukegan flipped over seven times in a succession of rolls that extended more than half the straight of way distance in front of the grandstand.

On the restart of the feature it was Gordy Gorman of Libertyville who lost the rear end from his car as he rolled over on the side. He was unhurt and climbed free of

## All Star Winners

In the annual Lakeland Little League All-Star game which was played at Fox River Park, the American squad overpowered the Nationals by an 11-1 score. The Americans just had too much hitting and pitching power for the Nationals to cope with.

Dennis McCarthy, Mike Vanderzee, Denny Williams, Steve Miller, Mike Thom, and Richard Rebeck all had two hits apiece for the Americans and Mike Thom was the winning pitcher.

Jimmy Noonan was the only member of the Nationals to hit safely more than once as he lined two singles to center and also pitched two scoreless innings for his squad.

Mike Wagner had the game's only extra base blow, a double.

Besides Thom, the American pitchers included Miller, John Schmalfeldt, and Vanderzee.

The game was marred by a few slick spots in the infield but a nice crowd was on hand to cheer the squads on in the final game of the 1962 season. John Romie was injured in pre-game practice when he was struck on the shoulder by a foul tip while catching batting practice. He sustained a painful shoulder bruise.

The league wishes to thank everyone that supported the program this season. The chocolate bar sales were again a big success with Steve Erickson being the top salesman. Gloves were awarded to 12 boys and numerous other prizes were given.

## Ratajczyk Feature Winner At Midwest

Sunday, August 5—Coming all the way from the rear of a 17-car field, Bob Ratajczyk, piloting the familiar number A-11, took the lead from Racine's Rod Fuller on the 18th lap and went on to his first feature victory of the season, before 2,250 fans at the Waukegan Speedway, Sunday night.

The Milwaukee speedster averaged 51.58 mph in winning the 25 lap main event for modified stock cars. Fuller, who had jumped off to an early lead from the drop of the green flag, had built up a sizeable advantage, by mid point in the event, only to begin losing ground as the race wore on. Fuller finished a close second and just feet ahead of late challenger Eddie Stillman, Milwaukee, driving the A-1, a team car of Ratajczyk's.

Bob Karry, Waukegan and Lindenhurst, turned the quick time of the night, at a speed of 53.51 mph. It also was the first time this season he has done so. But Karry had the misfortune of breaking a shock in the feature event which slowed his pace considerably and he only managed a 7th position. He had earlier come from the rear of an 11 car heat event to take the win at a speed of 51.52 mph, the quickest of the night.

The 15 lap semi-feature was won by Bay Darnell, of Deerfield, who also took top honors in the first 10 lap heat of the night. The race was stopped on the first lap when Ron Hanson, Waukegan, and Ron Larsen, Racine, tangled and hooked wheels. Both were able to continue after separation and Larsen placed third, while Hansen managed a seventh spot. Wayne Miller, Barrington, and Duane Harris, McHenry, collided on the ninth lap, forcing both out, but neither driver was injured.

Burgan Tops Sportsmen Point leader Dennis Burgan, Zion, who leads in the current standings in the sportsmen division of stock car racing here, topped a large field of 27 cars to win the 15 lap sportsmen feature event in a rough and tumble battle that saw 18 cars finish, but only 8 of them in the same lap. Burgan came from the rear to take the lead at the 10th trip around from Ed Smith, Waukegan, who placed second. Burgan, however, was denied a clean sweep of the three events when rival sportsman Mel Smith, Zion, beat him by less than a quarter car length in the 8 lap heat. Burgan had the fast time of the night, averaging 45.64 mph.

The added mud race brought fun, thrills and laughs from the crowd and Don Miller, Gurnee, was the eventual winner in a slipping and sliding contest that saw numerous fender bending accidents. Much of the infield was used to gain traction for the cars, then only to emerge on the track in front of another competitor.

Powder Puff Derby Modified and sportsmen stock car racing will be held for the 12th time this season, Sunday night, Aug. 12. Highlight of the evening will be the season's 1st Powder Puff Derby in which women drivers will take the wheel of the sportsmen cars for a race all their own.

Track manager Mike Kaishan expects a field of over 20 girls to be on hand for the event. In addition a full field of sportsmen cars will be on hand, topped by the usual number of modified stock events.

Ed Stillman, Milwaukee, heads the field for the modified entries. He will place a field of some 50 cars and drivers in that division. Time trials get under way at 7:15 p.m. with the first of the events getting under way at 8:30. The speedway is located just west of Waukegan, on West Washington Street.

Burgan Tops Sportsmen Point leader Dennis Burgan, Zion, who leads in the current standings in the sportsmen division of stock car racing here, topped a large field of 27 cars to win the 15 lap sportsmen feature event in a rough and tumble battle that saw 18 cars finish, but only 8 of them in the same lap. Burgan came from the rear to take the lead at the 10th trip around from Ed Smith, Waukegan, who placed second. ## Two-Foot Pike Hooked By Youth

James Cogdill

Think you have to have a boat to fish? James Cogdill of Bluff Lake did all right last week off a pier near his home. He hooked a 2 1/2 pound, 24-inch Northern Pike.

James is the son of Mr. and Mrs. Carl Cogdill. He caught the pike on a spoon he had just bought from Gibbs & Jenssen.

## Bi-State League Meets August 16

All sponsors and bowlers, new, established or prospective, are invited to the organization meeting of the Bi-State Bowling League at 8 p.m. on August 16, at the Antioch Recreation.

The Bi-State League bowls every Thursday evening at 9:15. The tentative starting date is September 6. Come and see the newly remodeled Antioch Bowl, with eight new alleys and new cocktail lounge.

## BOWLING LEAGUE MEETINGS

The Pinstripers' League will hold its meeting at the Antioch Bowl at 7:30 p.m. on Thursday night, Aug. 9.

The Major League meeting will be held at the Antioch Bowl at 8 p.m. on Friday night, Aug. 10.

the close of the season are:

	Won	Lost
Sox	0	3
Pirates	7	5
Dodgers	6	6
Cubs	6	6
Yanks	5	7
Braves	3	9

## Little League Announces Plans, Problems, Finances

The Antioch Little League is ending another season of organized baseball for all boys between the ages of 9 and 12 who reside in our areas. The many advantages to the youth of the community has been told in great detail by the newspapers, magazines, etc. Careful attention is given to the teaching of good sportsmanship and fair play, and the building of character. The results are very obvious to anyone who has watched the children develop.

For a few facts about the League, . . . All boys are given an opportunity to play baseball. Some in the Little League and others in the Minor Leagues. Every child who wants to play, plays. We have a full schedule of games all summer with games practically every night of the week and some on Sundays. Games start at 8 p.m. during the week and at 2 on Sunday. All games are played at the Little League diamond located next to the Antioch Swimming pool and library. Teams are uniformed and fully equipped with a special emphasis on safety.

We need your financial help and we are appealing directly to you for aid. The cost of operating our Antioch Little League amounts to about \$2,000 a year. Every cent of this money is used for equipment and supplies, and nothing is taken out for administration or supervisory help. Any donation, regardless of amount, will help us to continue and improve this program. If you believe in this program and want to help, please send your contribution to:

Antioch Little League, Post Office Box Antioch, Illinois If you desire any additional information, please contact any of the officers listed below or stop off at the Little League diamond.

Charles Worsley, President; Wesley Camp, vice president; Lyle Wilson, Secretary, Antioch.

To give contributors some idea of where their money goes, the 1961 expenses of the Little League are listed here:

Franchise Fees	\$62.50
Insurance	223.69
Park Improvement and Maintenance	120.56
Refreshment Stand	839.84
Equipment	889.83
Miscellaneous Expense	38.97
	\$1,589.44

There are several things officers of the Little League would like to do if they could get more financial support. Among projects for the future they have not been able to finance, are:

complete backing of the Babe Ruth League official umpires (costing about \$600 a season); improvement of the baseball diamond; a new score board; some safety features for the boys (such as a complete wire screen over the dugouts) and the sending of the All Star selections to tournaments.

There are at present about 400 boys participating in Little League, Minor and Intermediate play.

Antioch Little League, Post Office Box Antioch, Illinois If you desire any additional information, please contact any of the officers listed below or stop off at the Little League diamond.

Charles Worsley, President; Wesley Camp, vice president; Lyle Wilson, Secretary, Antioch.

To give contributors some idea of where their money goes, the 1961 expenses of the Little League are listed here:

Franchise Fees	\$62.50
Insurance	223.69
Park Improvement and Maintenance	120.56
Refreshment Stand	839.84
Equipment	889.83
Miscellaneous Expense	38.97
	\$1,589.44

There are several things officers of the Little League would like to do if they could get more financial support. Among projects for the future they have not been able to finance, are:

complete backing of the Babe Ruth League official umpires (costing about \$600 a season); improvement of the baseball diamond; a new score board; some safety features for the boys (such as a complete wire screen over the dugouts) and the sending of the All Star selections to tournaments.

There are at present about 400 boys participating in Little League, Minor and Intermediate play.
